Remarks

This beautiful original one owner colonial is just waiting for you! It was one of the first homes to be built in one of Taylor's most sought after Landmark Sub! The extra large lot sits on an open curved corner w/two sides fenced one side open. The HUGE porch is a dream to enjoy on a relaxing summer day. Updated vinyl siding and windows. The family room is HUGE with a nice slider to the backyard. The fireplace is natural wood burning. The first floor half bath was remodeled 2023 and extended to a FULL bath with a walk in shower. FOUR full bedrooms upstairs and with the main bathroom also updated in 2020 with a big walk in shower. The primary bedroom is HUGE with two closets. The basement is larger than most colonials....the seller had the builder built the basement under the family room too! HWT updated in 2021. Seller to provide C of O at close and also providing Buyer with a one year home warranty with CINCH!
